Public Comment

Mrs. Polly Stephens reported that she has had some items stolen from her house recently. She also is concerned about the happenings at the Ryan Allen Shoup Park which is directly across from her house. There are people there at all hours of the night doing things they should not be doing. She calls the Chief of Police, but when he gets there the people are gone. She feels like there should be more lighting around the park and park restrooms.

The Mayor advised Mrs. Stephens that he will have more lighting put around the park and he is also going to have security camera installed soon.

Mr. Marco Macera, also stated his concerns about what goes on at the park. He sees people violating the fishing ordinance, drinking and throwing beer cans on the ground and making donuts in the park. He would also like to see lights and more police patrolling.

Mayor Gros

The water system has been down for maintenance and repairs. It should be back online by the end of this week.
