Neighborhood Watch Chairman, Mr. Henry Sanders, and Committee, addressed the council about noxious weeds, mobile homes, tents and campers. He and the NHW Committee asked that the Town revise the ordinance that is in place now. They would like the ordinance to grandfather in the existing mobile homes, tents and campers, whatever the condition. However, they would like to change the language of the ordinance to prohibit run-down mobile homes, campers and tents from being brought into town in the future.

The Mayor advised them that the council had already voted against changing the ordinance. Mr. Sanders stated that NHW would present a revised ordinance to the council for review.
